

August 31, 2020

Dear Panther Fans,

Unfortunately, due to the mandates from Governor Wolf and the Department of Health, we are not permitted to allow any spectators at any of our home sporting events until further notice. If spectators come to our home events and do not leave, we will be forced to forfeit the home contest. To address this current restriction, Northern Bedford County HS/MS is proud to announce that we have partnered with the NFHS Network, and we've invested in new camera technology that will bring you every game from our High School Gym and Panther Community Stadium, **LIVE STREAMED**. This includes any athletic contest that is held in the gym or stadium (volleyball, wrestling, basketball, football, and soccer).

Join the NFHS Network for full access to:

- All NBC live and on-demand sports broadcasts
- All other sporting events from around the Nation

Friends and family members who can't make the game will never miss a play again!

Here's how to watch:

- 1) Visit www.NFHSnetwork.com
- 2) Search for Northern Bedford County High School and go to our page
- 3) Subscribe and Follow

You can choose an annual pass for \$69.99 or pay by month (\$10.99). Your subscription will give you access to every school across the country that uses the NFHS Network. Schools in our area that are currently using the network are Tussey Mountain, Southern Huntingdon, Glendale, Windber, and Moshannon Valley, to name a few. Others opponents of ours will be adding in the near future. This means if our athletes travel to Tussey Mountain (or any other school also using the NFHS Network) you will have access to those live streamed games as well. In addition, all live events will be recorded and you will have access to watch them at a later date and time.

The athletic department will receive a percent of all subscriptions to help offset the cost of the newly installed cameras. Thank you for your continued support of NBC athletics. We look forward to bringing you top notch broadcasts of our athletic events!
