

Step 1 – Log on to FEMA courses website

The screenshot shows a web browser window with the URL <https://training.fema.gov/is/courseoverview.aspx?code=IS-700.a> in the address bar. The page header includes the FEMA logo and the text "Emergency Management Institute". The main navigation menu contains the following items:

- EMI Courses & Schedule: Take a Course On Campus
- EMI Students & Instructors: Information for Students and Instructors
- Apply: Learn how to apply to our programs
- Programs & Activities: Resident, Trainer Program, IEMC, DFTO, etc.
- Independent Study: Online courses available free of charge
- Contact Us: Contact IS, NIMS, Admissions

The breadcrumb trail reads: Home > Independent Study Program (IS) > IS-700.A: National Incident Management System (NIMS...)

Below the breadcrumb trail is a search bar with the placeholder text "Enter Keyword(s) or Course Code" and a "Search IS" button.

A notice box contains the following text:

Notice: Independent Study Exams now require a FEMA Student Identification (SID) Number. If you do not yet have a SID, register for one today: <https://cdp.dhs.gov/femasid>. **Please do not contact the Independent Study program office as they are unable to provide assistance with these requests.**

Below the notice box, there is a paragraph of text: "If you have an inquiry regarding the FEMA Independent Study Program, NIMS or other Emergency Management Institute (EMI) related requests such as: requests for certificates, transcripts, online test scores/results, please contact the FEMA Independent Study program office at 301-447-1200 or email Independent.Study@fema.dhs.gov for further assistance. **Please do not contact the FEMA SID Help Desk as they are unable to provide assistance with these requests.**"

On the left side of the page, there is a sidebar with the following links:

- IS Home
- IS Course List
- Critical Infrastructure Security and Resilience
- Curriculum

The Windows taskbar at the bottom shows the search bar with the text "Search the web and Windows", the system tray with icons for network, volume, and notifications, and the date and time "12:06 PM 4/8/2016".

Course Overview

This course introduces and overviews the National Incident Management System (NIMS). NIMS provides a consistent nationwide template to enable all government, private-sector, and nongovernmental organizations to work together during domestic incidents.

Course Objectives:

At the end of this course, students will be able to:

- Describe the intent of NIMS.
- Describe the key concepts and principles underlying NIMS.
- Describe the purpose of the NIMS Components including: Preparedness, Communications and Information Management, Resource Management, and Command and Management.
- Describe the purpose of the National Integration Center.

Note: This course provides a basic introduction to NIMS. It is not designed to replace Incident Command System and position-specific training.
